Required equipment: 5 or 6 foot leash, regular buckle collar or martingale collar, harness (front clip for strong pullers). NO choke chains or prong collars are allowed. Please bring small tasty treats and a couple of fun toys for your dog to use during every class.

Canine Good Citizen Course \$65/dog – minimum of 2 dogs, limit of 6 dogs

Instructor: Alicia Jones

Once a week for 4 weeks of training, evaluation is 1-2 weeks following the course and included in price; 45-54 minutes per class.

This class prepares dog/handler teams for the Canine Good Citizen Evaluation at an accelerated pace. All skills will be taught and practiced. Evaluation follows one - two weeks after the last class and must be scheduled by appointment with the instructor.

COURSE RULES: Classes are designed to be fun and safe, therefore all dogs **must** be peaceful in close proximity with other dogs. **No reactive or aggressive dogs are allowed to attend classes for everyone's safety.** If a dog shows any signs of reactivity or aggression, instructor will dismiss the dog from future classes. Handler may attend future classes without dog. All dogs are to be healthy and **on leash at all times**. All classes are non-refundable once started. Make-up classes are available for some classes for an additional fee.

NOTE: It is highly recommended for all participants to take at least one seminar (see seminar descriptions and schedule). Seminars include learning how to understand your dog's body language and ways of communication, dog park etiquette and safety, adolescent issues, problem solving and really reliable recall (teaching your dog to come to you no matter what).
